A Day

Good Morning, Arrowhead High School!

All throughout human history, people have had to grapple with how to live with each other: to trust or not to trust. Arrowhead Drama's Spring Play *the end: Three One-Act Plays (and the End of The World)* tackles this very issue and more! These plays explore both humorous and dramatic takes on how humans react when presented with the possibility of it all falling apart. Shows are [tomorrow, Friday, and Saturday at 7:00 pm](#). Tickets are available online through the [Arrowhead website](#) or at the door.
